

Minutes from MGRHS Building Committee Mtg and public presentation of Jan. 10, 2006

Committee Members Present: Irene Addison, Thomas Bartels, Nat Karns, Jack Hickey, Ann McCallum, Andy Hogeland, Beth Goodman, Bob Ericson, Lyndon Moors  
Also present: Lee Dore (Dore and Whittier Architects), Mark Amuso, Bill Travis, David Langston

Meeting came to order at 6:07.

Minutes from previous meeting of December 13, 2005 approved.

Andy and other committee members reported on which public groups they had visited over the previous two weeks. Committee agreed there was a need to prepare a rough project timeline for the public.

Lee Dore said their enrollment projections were moving along well, and that they had a draft program underway. There was a discussion of existing and likely financial arrangements with the state.

Meeting adjourned from 6:30 until 7:00.

At 7:00, public portion of meeting began, with 28 members of the public present. Lee gave introductory remarks, and then presented an overview of the current condition of the school facility.

After the presentation, members of the public asked thirteen questions (about renovations in stages, land use with respect to sports fields, costs to do seismic upgrade, amount state will pay for renovations as opposed to new construction, amount of hazardous materials testing required, student input, whether the study architects will automatically become the building architects, time line, and funding split between Lanesborough and Williamstown).

The meeting adjourned at 7:45.
