PTO Needs New Members

The PTO welcomes your participation and suggestions. As we turn our attention to the upcoming year, we are especially aware of the need for the PTO to be as broadly representative of the school community as possible. And now is the time to step forward if you are interested in taking on a leadership role, since we will be looking to fill our officer and director positions for 2006-07.

Both of us will be stepping down as co-presidents and we will also be looking for someone to replace Alison Kolesar, who has done a terrific job as secretary for the past two years. Paula Machado has generously offered to continue as treasurer for another year. To keep up the momentum for this new organization, we need new people to step forward to help in any way they can, large or small. Please contact us if you would like to take on a leadership position, or if you have any suggestions for how the PTO might better serve the Mt. Greylock community. Many thanks.
