The Student/Parent Handbook is an important resource for students, families, faculty and staff. Updated annually, the Handbook includes important details we encourage you to read and reference. Faculty and staff contact information helps to facilitate communication between home and school. Helpful tips throughout the Handbook are offered for a variety of situations, including course selection, college planning, co-curricular activities, and interscholastic athletics.

The Student/Parent Handbook also provides the policy for daily school life. Topics include: Academics, Guidance and Student Support Services, Student Governance and Activities, the School Day, and Health Services. You will find school expectations and regulations in the last section of the Handbook. If you have any questions about or suggestions for the Handbook, please do not hesitate to contact me at 413.458.9582, ext. 157 or jschutz@mghs.org.

The Student Handbook for 2014-15 will also be available online on August 26, 2014. A limited number of paper copies will be available in the Main Office for those without regular internet access. Please read the Handbook in either form and complete the Affirmation of Receipt below. Completed forms should be returned to the Main Office by Thursday, September 18, 2014.

We invite all students, parents and guardians to take an active role at Mount Greylock and help us make the 2014-15 school year a success for every student.
